## Moldings available through your dealer

Hardwood flooring is a natural product, because it is real wood each plank will vary in markings, character, grain texture and color. We do our very best to maintain consistency in our quality, color and finish. Because this is a natural hardwood the sample will be close but not an exact replica of the product. Variations are common in natural products and your selection should be inspected before installation.

# lifecoreflooring.com

The California Air Resources Board ensures products are certified and in compliance with legislation, requiring wood flooring products meet the acceptable levels for formaldehyde.

NDOOR AIR QUALITY

The Gold Standard! Indoor Air Advantage Gold certifies our

hardwood flooring is in compliance with the most rigorous indoor air quality

emission standards in North America.

**50 YEAR** RESIDENTIAL

**LIFETIME** STRUCTURAL

**15 YEAR** LIGHT COMMERCIAI

Volatile organic compounds are emitted into your home and can have an adverse effect on your indoor air quality, your family health and be an irritant to those with allergies and asthma. Our products are third party tested, and exceed the strictest chemical emission limits for VOC.
